

## Disruption to Studies Provisions Schedule

The following provisions are provided to students when their Disruption to Studies application is assessed.

Provision	Assessor	Additional information
<b>Application accepted – no further action required</b>	Subject Coordinator	Student is notified that circumstances are acknowledged but no immediate action is required. Additional comments can be added by the Subject Coordinator and these will be included in the notification to the student.
<b>Student to complete a different, academically equivalent task</b>	Subject Coordinator	Subject Coordinator will arrange for a different assessment task that is academically equivalent and will allow the student to demonstrate the relevant learning outcomes.
<b>Exempt from assessment item - no marks achieved</b>	Subject Coordinator	Student is not required to complete the task and no marks are applied. Learning outcomes demonstrated through other assessment tasks or learning activities.
<b>Exempt from assessment item - average marks for completed assessment tasks</b>	Subject Coordinator	Student is not required to complete the task and no marks are applied, e.g. Learning outcomes demonstrated through other assessment tasks or learning activities. Student will receive a mark based on the average mark for all other completed assessment tasks. Learning outcomes demonstrated through other assessment tasks or learning activities.
<b>Student to be granted an extension</b>	Subject Coordinator	Student is provided with a new due date for the assessment task.
